Founder and President
MEC, ISM EDUTECH

WELCOME MESSAGE

Dear Students and Parents,

It is with great pride and enthusiasm that I welcome you to the MD Program at EEU, a premier institution shaping the future of medical education and healthcare. As the flagship of medical education and research in Georgia, EEU is dedicated to nurturing the next generation of skilled and compassionate doctors.

Our commitment goes beyond academics—we focus on holistic learning, integrating rigorous medical training with cutting-edge research and hands-on clinical experience. We aim to empower our students with the knowledge, skills, and ethical foundation needed to excel in the ever-evolving field of medicine.

At EEU, we believe in creating a supportive and enriching environment where students can thrive and realize their dreams of becoming globally competent medical professionals. We are honored to be a part of this transformative journey with you and look forward to witnessing your success in the medical field.

Welcome to the EEU family!

ISM EDUTECH
EDUCATION ENLIGHTEN EMPOWER

ISM EDUTECH PVT LTD, INDIA

We are a pioneer in revolutionizing how medical professionals are created through learning and stay up-to-date on the latest advances in their field. By providing programs that are designed on the strong structural framework supporting a comprehensive and interactive learning experience, we aim to improve the quality of care and patient outcomes.

We have catered to the aspirations of more than 14,000 students to become great doctors and made it a reality because of our strategic and vast reach. India's premier ISO 9001:2015 certified medical and healthcare education facilitator (B2C), developer (B2B, D2C) and propagator and is committed to providing solutions and helping its consumers such as Universities and students by partnering and owning the best medical universities and relevant logistics solution providers across the globe.

Dr. Kakhaber Lazarashvili
Rector of East European University

RECTOR'S MESSAGE

Welcome to East European University!

The best professors, scientists, doctors, public servants, entrepreneurs and leaders are involved in developing and implementing our curricula and academic activities.

East European University provides exciting educational opportunities for students from all backgrounds and nationalities. We offer many different courses that prepare students for success in the real world. East European University programs are based on the experience of the Georgian and Western Universities, considering Western standards and demands of the modern labour market. We use modern teaching methods and technologies performed by professionals. You will receive practical knowledge, which will lead you to your success and future employment.

Furthermore, EEU builds strong bridges between our students and local and international partners, who together form a liable community of highly motivated individuals with great opportunities.

We strongly believe that EEU programs guarantee your future success. The years spent at EEU will be productive and remarkable for you. If you are interested in preparing for a future career and wish to obtain outstanding education in an excellent environment – you have found it! Welcome!

Sincerely,
Dr. Kakhaber Lazarashvili, Rector, Professor

OUR MISSION

- The introduction of international standards following Georgian and world cultural values, creates an educational environment based on the integrity for all teaching and research activities.
- Help students and staff flourish academically, morally, and civically, by providing high quality teaching, scientific research, and fellowship.
- Contribute to Georgian and wider society through wisdom and dignity.

▼ ▼ ▼ About The University

East European University is a distinguished institution in Georgia, committed to maintaining international educational standards in teaching and research.
