About Country

Kazakhstan, located in the center of Eurasia, first came on the global map in 1991. The word Kazakh, which is of Turkic origin, is supposed to signify "free man," which is fitting for a nation historically populated by free-spirited nomads.

Kazakhstan's economic potential is immense. The diverse terrain runs from the mountainous, densely populated eastern regions to the thinly inhabited, abundantly energy-rich lowlands of the west, as well as from the industrialized north, with its Siberian ice cap.

Faculty

- Sound language of the subject
- Have the expertise to impart knowledge
- Encourage both personal and professional development of the student

Hostels and Mess

- Comfortable and safe hostel rooms
- Located at a good location
- Mess ensures quality, cleanliness, and hygiene
- 24*7 medical care facilities
- Friendly staff available for any support
- Multiple activities and events are organized
