Gyana EduTech Pvt. Ltd. was created in 2012 with the goal of scaling up excellent healthcare services and attaining greater heights in the future. Gyana EduTech is the leading company providing international medical education services. Gyana EduTech has come a long way in the last 12 years and has made a significant contribution. Begun with a few students, this company has sent over 5,000 students to the world's greatest medical universities in Tajikistan, Kyrgyzstan, Kazakhstan, Georgia, and Barbados.

OUR SERVICES

Founded in 2001, Georgian American University is one of the leading medical schools in the country. The university located in Tbilisi establishes a strong focus on the importance of high-quality education. The university's goal is to establish a renowned educational center in Georgia by ensuring the adoption of worldwide education standards in teaching and research. The MBBS program lasts five years and 8 students per lecturer ratio are maintained. For international students, the medium of instruction is English. The employability rate is around 92 percent after the completion of the MBBS course.
